3. Develop a sense of humour

# My career path plan

- ✓ I started as a Coder
- ✓ Systems Analyst
- ✓ Project Lead
- ✓ Solution Architect

After this WHAT ???

IWES training .....

# My career path plan

Skills as identified in Career path assessment

HARD SKILLS	TRANSFERABLE SKILLS	PERSONAL MGMT SKILLS	IMPROVEMENT AREAS
Microsoft technology	Analysis	Accurate	Upgrade Business Analysis skills
Electronics	Solution design	Capable	IT Quality
Wide domain experience	Costing	Resourceful	Canadian Culture

## Solution Architect

1. Resolves business issues
2. Leverages Technology
3. Driven by business needs
4. Industry standards – ITIL
5. Enterprise Architect certified

# My career path plan

## Obstacles and mitigation plan

Obstacles	Action items
Hard skills – Employer unaware of my technical skills	<ol style="list-style-type: none"><li>1. Get recognition of my work experience – CIPS certification</li><li>2. Develop hands-on prototypes</li><li>3. Market my skills</li></ol>
Soft skills – Less influential, ineffective, unfamiliar	<ol style="list-style-type: none"><li>1. Build rapport through References, Network, Community help</li></ol>
Canadian experience	<ol style="list-style-type: none"><li>1. Courses, Internship, Relevant job</li></ol>

### **Add-ons to relieve the Plain Vanilla effect**

- Brand building leveraging the Company concept
- Provide differentiators like Low cost High Quality
- Make best use of international connections & Off shoring

# Post course activities

Activities	Benefits
1) Mentorship	<ul style="list-style-type: none"><li>✓ Great insights into Canadian work place</li><li>✓ Leverage on the mistakes of others</li></ul>
2) Internship	<ul style="list-style-type: none"><li>✓ Doing a job without risking into deep water</li><li>✓ Gain Canadian experience</li></ul>
3) Recruiters	<ul style="list-style-type: none"><li>✓ Job match based</li><li>✓ Middle men for quicker negotiation</li></ul>
4) People Network	<ul style="list-style-type: none"><li>✓ Peek view of Hidden job market</li><li>✓ Can get good reference</li></ul>
5) Propose company formation	<ul style="list-style-type: none"><li>✓ Role play of Company executives</li><li>✓ Think responsibly, decision maker</li><li>✓ Exposed to Sales, Marketing</li></ul>

# My course learning

1. An eye opener to the Canadian multi culture working environment
2. An opportunity to get first hand information into the Canadian labor market policies, rules and standards
3. First hand info on the corporate connections
4. Good professional advice for writing effective resumes and interview preparation
5. Fun filled live sessions
6. Great insights into the Online network building  
<http://ca.linkedin.com/pub/vijay-mohire/5/448/1ab>
7. Learned how to leverage strategies, small talk and Elevator pitch.

# My feedback

1. Course structure is well designed and documentation is elaborate
2. I recommend to have pre defined home assignment schedules to provide sufficient time to complete tasks
3. Corporate connections can be more student focused to their background and skills
4. Pre course assignments especially Technical reports can be discussed in the course
